HSE OBJECTIVE

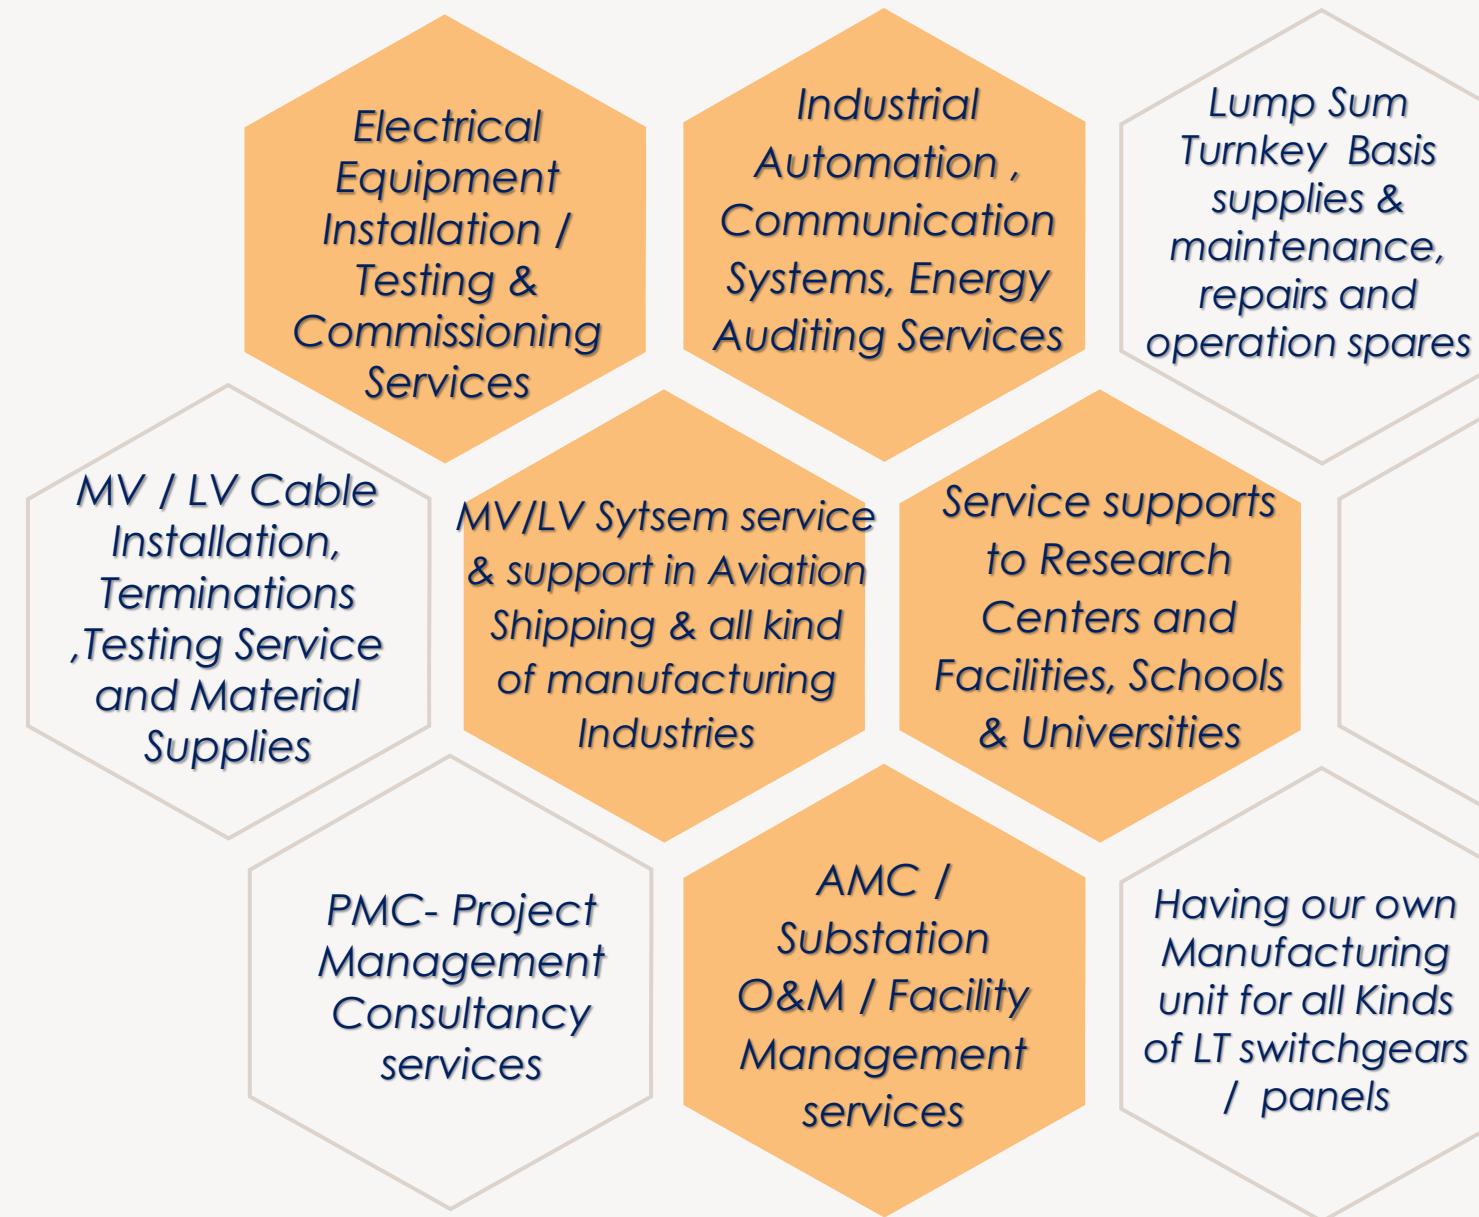

OJAS ICONIC always committed to maintain a safe and healthy working environment for all the employees and clients by carrying out safe work practices and achieving the standards in all of its Project activities.

Organization Chart

What We Covers....

ELECTRICAL SERVICES

All types of Electrical Equipment Procurement, Installations, Testing & Commissioning services

- ❖ MV/ LV Cable installations ,termination and testing services
- ❖ Conduit routing and cable tray installations.
- ❖ Installation of electrical equipments such as MV/LV Switch gears, RMU'S, Power & Distribution Transformers, Battery Banks and UPS
- ❖ Substation **O&M**- Operation and Maintenance,
- ❖ Annual Maintenance Contract – **AMC**
- ❖ Getting **CEA & CEIG** approvals for our installations.

INSTALLATION SUPPORT & SERVICES

ALL KINDS OF
TRANSFORMERS
INSTALLATION SERVICES

GENERATOR
INSTALLATION
SERVICES

HT/LT
SWITCHGEAR
ERECTION

ALL KINDS OF LT PANEL
MANUFACTURING /
SUPPLIES & RETROFITTINGS

COMMUNICATIONS CONTROL SYSTEM SERVICE & SUPPORT

- ❖ PLC / SCADA System for plant/process automation
- ❖ Installation testing & commissioning of Telephone & Intercom system
- ❖ CCTV and Safety /Access Control system
- ❖ Structured Cabling (LAN -UTP,STP, FOC) - Premises Network System
- ❖ Fiber Optic Cable laying & Testing services
- ❖ Complete Solution for network & communication systems

PROJECT MANAGEMENT CONSULTANCY

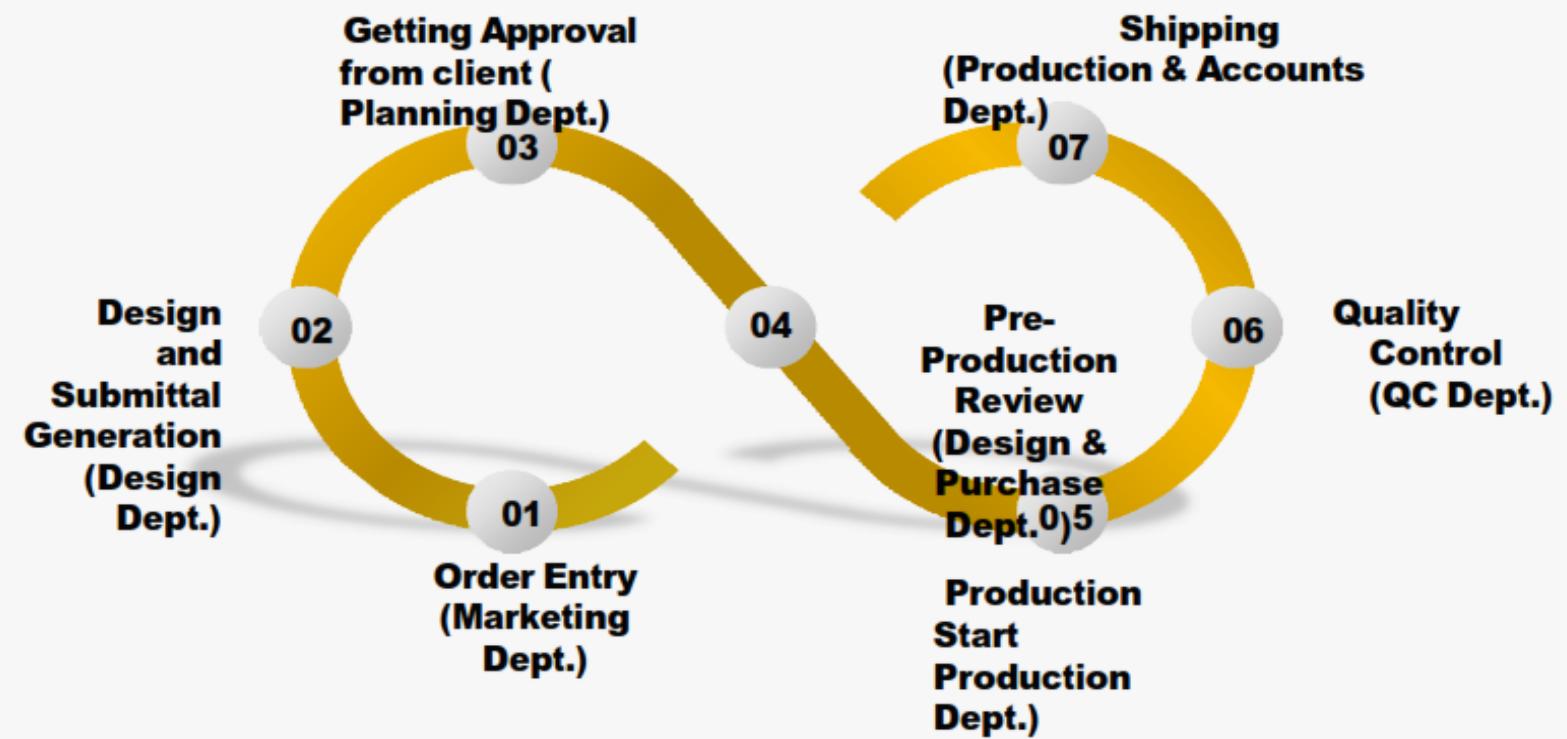

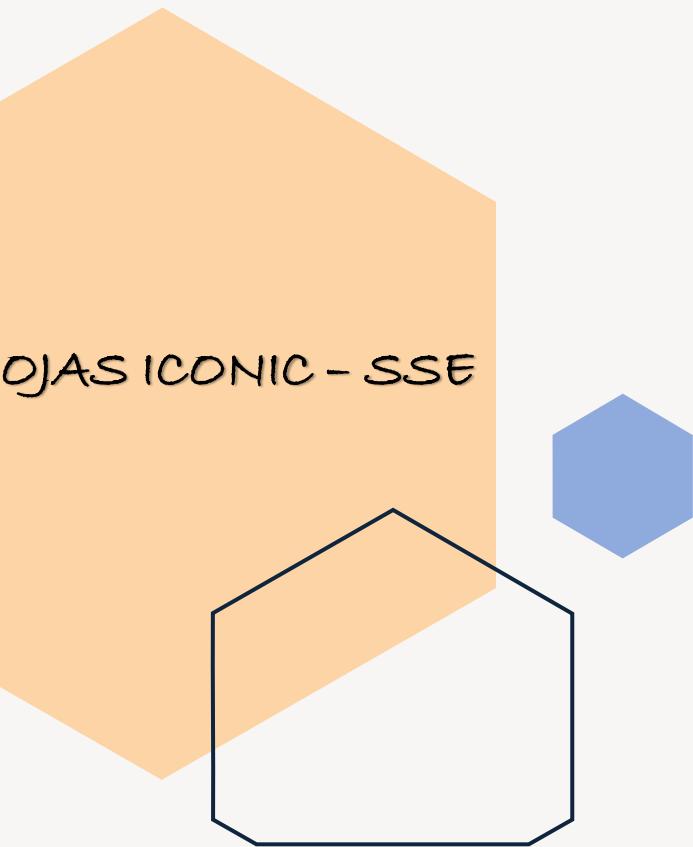

We support contracts from inspection to execution throughout the project life cycle and provide a single point of customer contact.

Our PMC team experts with widespread experience managing large variety of contracts from industrial to commercial sectors and helping clients by controlling the cost of their projects.

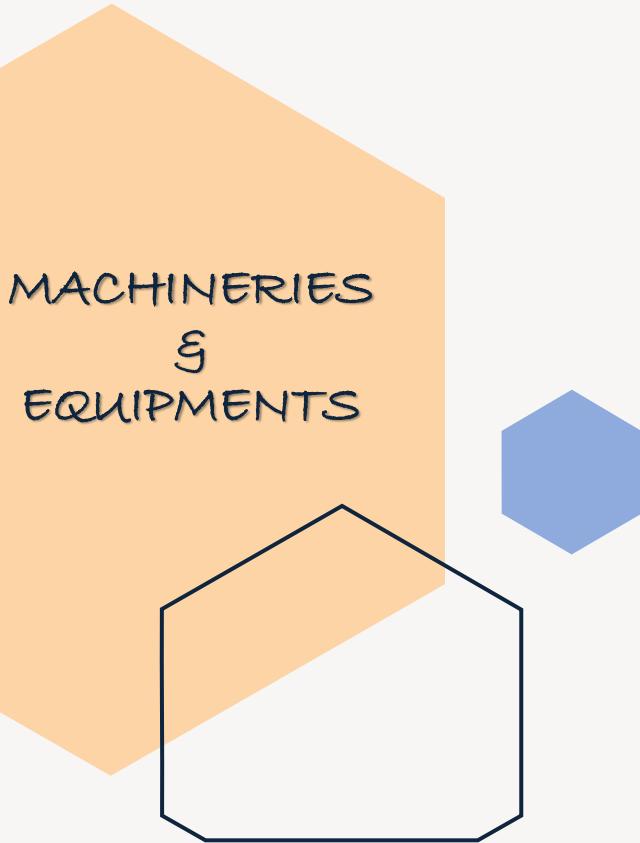

OUR OFFICIAL MANUFACTURING FACILITY TIE UP WITH SIVASAKTHI ENGINEERING

Panel Board Manufacturing Flow chart

Our equipment is placed in our **25,000 square ft** manufacturing facility at **Oragadam, Kancheepuram (District)**

MACHINERIES § EQUIPMENTS

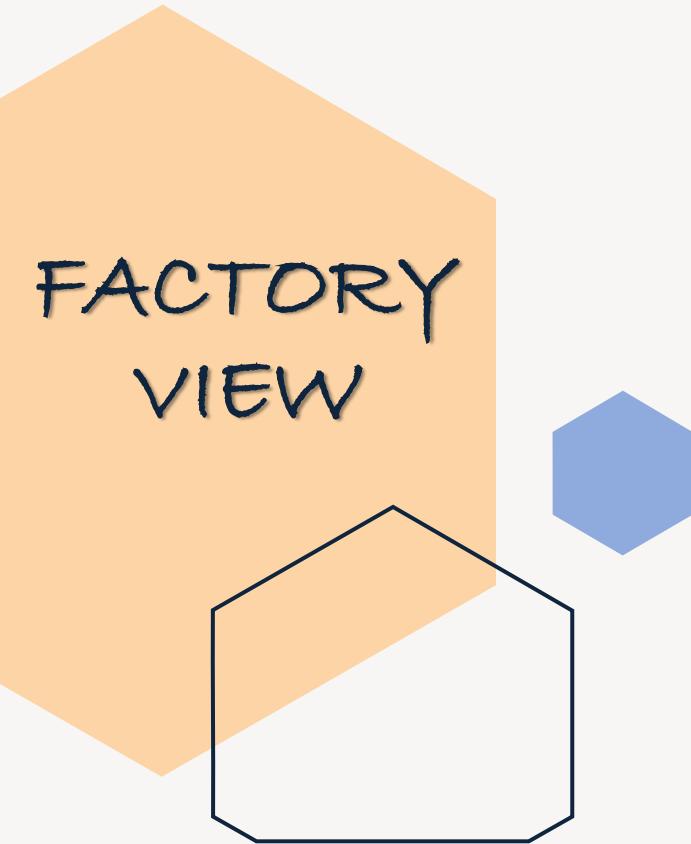

List of Machinery

- ✓ **Laser Machine - XT LASER (Upto 1000x1000)**
- ✓ **CNC turret punch press**
- ✓ **CNC bending machine**
- ✓ **Hydraulic shearing machine**
- ✓ **Hydraulic bus bar machine (Upto 200 x 12 busbar)**
- ✓ **7 Tank powder coating**
- ✓ **Dedicated dry oven (LPG fired)**
- ✓ **MIG & TIG machines for welding**
- ✓ **Drilling and sandering machines**
- ✓ **Wire cutting machine**
- ✓ **DUCT & DIN rail cutter**
- ✓ **Full DG back up**
- ✓ **3 Ton crane capability**
- ✓ **Cable Tray punching machine**

Testing Equipment

- ✓ **2.5 KV insulation tester**
- ✓ **High voltage kit**
- ✓ **Relay test kit**
- ✓ **Powder coating thickness gauge**
- ✓ **Vernier calipers**
- ✓ **Ph meter**
- ✓ **Multimeter**
- ✓ **Tong tester**
- ✓ **IR based temperature scanner**
